

National Vision Administrators, L.L.C.

**NVA IS THE VISION CARRIER FOR 2023-2024**

The vision plan offers coverage both in-network and out-of-network. It is to your advantage to utilize a network provider in order to achieve the greatest cost savings. If you go out-of-network, your benefit is based on a reimbursement schedule.

Also, if you are considering Lasik surgery or other non-covered benefits, there are discounts available with some providers.

Vision plan will be a separate election, with a 50% active employee cost share.
