Welcome to SelectQuote – We're Excited You're Here!

As Garrett County Public School's exclusive Medicare partner, SelectQuote will help you find the right Medicare Supplement or Medicare Advantage plan that fits your needs. The following outlines the specific next steps to take to learn more about your Medicare options. Following details below will ensure that you have all of the correct information and documentation in order to successfully get set up with a Medicare plan.

Three Easy Steps to Enroll:

1. Contact SelectQuote at **844-851-7657** and a licensed insurance agent will be ready to help you. *Please call from your preferred phone number. SelectQuote's customer engagement technology utilizes your phone number to ensure we can provide you with personalized service following your first call.*
2. Inform the licensed insurance agent that you are a retiree from Garrett County Public Schools.
3. Once you have successfully enrolled, please email Rebecca Sleeman at rebecca.sleeman@garrettcountyschools.org.

   ***IMPORTANT NOTE: You must remain on a plan through SelectQuote to maintain eligibility.**

What Do You Need Prior to Get Enrolled with SelectQuote?

SelectQuote licensed Insurance agents need the following to assist with comparing Medicare Supplement or Medicare Advantage Plan options:

1. Medicare ID Number
   o If you do not already have your Medicare Card (red, white, and blue card), call 1-800-633-4227 (1-800-MEDICARE) and ask the representative for your Medicare ID number and your Medicare Part A and B effective date.
2. Medicare Part A and B Effective Date
3. Please contact SelectQuote from your preferred phone number.
   o To provide you with the best customer service, provide the SelectQuote licensed insurance agent with your personal preferred contact information, including phone number and personal email address. This ensures that all communications regarding your Medicare plan and any additional information will be received.
4. While waiting for your Medicare ID Card, you can still contact SelectQuote, but they will only be able to assist you with which carriers they offer and other basic information. To shop plans and enroll, you will need to have your Medicare ID Number and Part A and B effective date.
