Superintendent of Schools
Ms. Barbara L. Baker

Dear School Bus Drivers, Contractors, and Attendants,

The end of the school year is here! We all went through a lot this year with the pandemic protocols and hopefully, all of that is permanently behind us. I want to thank each one of you for an outstanding school year. Your efforts, challenges, and commitment to the students of GCPS do not go unnoticed and I cannot put into words how much myself, Ronnie and Missi appreciate everything you do! Thank you.

Listed below are a few key items to finish out the school year and a few dates for the upcoming 2022-2023 school year.

IMPORTANT!

- Transportation summer hours effective June 20, 2022 - 7:30 am -4:30 pm..
- Please keep the week of August 15th open for in-service and bus inspection. More information will be forthcoming.
- Pre and Post trip logs should be mailed or delivered to the Transportation Department by **July 1, 2022**.

Physical Examinations

Be sure a National Registered doctor completes your DOT Physical Examination by the one-year anniversary date of your last year's physical. The doctors' offices should be providing the Medical Examination forms.

Please bring a copy or the original to the Transportation Department in a timely manner. Reimbursement for physicals will be made to your contractors in August.

Please keep in mind attendants can substitute another form of Physical Examination other than a DOT. Please check with your doctor or call my office if you have any questions.

Change in Contact Info

Please be sure to update Missi with any changes to your contact information (address, phone number, etc).

Sincerely,
Richard Wesolowski
Director of Transportation
