Objectives

By the end of this Blueprint Information Session we will have:

• Shared a brief history of the Blueprint for Maryland’s Future
• Provided an overview of the 5 major Blueprint policy areas (Pillars)
• Reviewed the Blueprint Accountability Structure
• Taken a close look at Pillar 1 and 5 goals and current committee work
• Discussed the Blueprint Implementation Plan Timeline
Historical Perspective

• 2016- Establishment of the Commission on Innovation and Excellence (Kirwan Commission)
• 2019- Legislative Session- HB 1413
• 2020 Legislative Session- HB 1300
• 2021- Legislative Session- HB 1372
• 2022- Legislative Session- HB 1450
• To transform Maryland’s education system from early childhood through secondary education to enable performance to ensure all students receive a world-class education.

• Improve the quality and equity of Maryland’s education system so that all Maryland students, regardless of their demographics can leave high school globally competitive and prepared for success in postsecondary education, work, and life.
Five Pillars

1. Early Childhood Education
2. High-Quality & Diverse Teachers and Leaders
3. College and Career Readiness
4. More Resources for Students to be Successful
5. Governance & Accountability

**Blueprint Pillar Overview**

### Pillar 1: Early Childhood
- Significantly expand publicly-funded full-day pre-K for all eligible students through a public-private delivery system
- Increase number of high-quality early childhood education providers and educators
- Expand supports for young children and their families
- Fully fund the Maryland Infants and Toddlers Program
- Improve student readiness for kindergarten

### Pillar 2: High-Quality & Diverse Teachers and Leaders
- Increase rigor of educator licensure and prep programs
- Improve educator compensation and working conditions
- Institute new recruitment and professional development efforts to create a more diverse educator workforce
- Establish a new statewide educator career ladder to continually improve professional practice and student performance
- Implement more comprehensive in-service educator training and professional development

*Blueprint for Maryland’s Future | Initial Comprehensive Implementation Plan, AIB 12/2022*
### Pillar 3: College and Career Readiness

- Implement pre-K-12 curriculum for students to be college and career ready (CCR) by the end of 10th grade
- Develop an aligned instructional system with resources and supports necessary to keep students on track to be CCR
- Provide students with resources necessary to achieve reading proficiency by the end of the 3rd grade
- Create a statewide framework for rigorous CTE programs and skills standards
- Establish pathways for CCR and non-CCR students in grades 11 and 12

### Pillar 4: More Resources for Students to Be Successful

- Provide more support for students and schools who need it most, specifically, additional supports for English language learners, students from low-income households, and students who receive special education
- Provide new Concentration of Poverty grants directly to eligible schools to support community schools and enhance wraparound services
- Coordinate community supports to meet student behavioral health needs and provide technical assistance to school systems
Pillar 5: Governance and Accountability

- Establish the Accountability and Implementation Board (AIB) to oversee and monitor State and local agencies’ progress in implementing Blueprint policies
- Develop state and local Blueprint implementation plans
- Create Expert Review Teams to visit schools and make recommendations for improving student achievement
- Require school systems to demonstrate that at least 75% of per-student funding follows students to their school
Pillar 1: Early Childhood Education
Pillar 1 Committee Membership

Co-Leaders: Mrs. Dawna Ashby, Director of Early Childhood/Elementary and Mrs. Carrie Wampler, Coordinator of Judy Centers

- Tracie Miller, Grantsville Principal
- Candy Maust, Supervisor of ELA and Social Studies
- Nicole Vena- Teacher
- Stephanie Mayle- Teacher
- Ashley Forrest- Early Childhood Administrator in Residency
- Deneice Crites- IEP Coordinator/Infants and Toddlers
- Jody Getz, Parent
- Dr. Matthew Paugh, Board Member

- Tracy Bowman, Garrett County Community Action/Head Start
- Duane Yoder, Garrett County Community Action/Head Start
- Julie Sanders, Garrett Health Department/Local Management Board/ECAC
- Tamra Canfield, Department of Social Services
- Meggan Humberson, Private Daycare Provider
- Mrs. Kendra Berry, Early Childhood/Elementary Administrative Assistant
Early Childhood Blueprint Accomplishments

- Started expanding PK3 opportunities via collaborative classrooms with Head Start by adding two classrooms during the 2022-2023 school year (Accident and Broad Ford)
- Secured third competitive Judy Center expansion grant to enhance supports for families 0-5
- Already offering full-day PK opportunities
- Partnership with Head Start and other educational partners

- Provided a pathway through the Maryland Leads grant and collaboration with Garrett College to ensure all Pre-K assistants meet the requirements of holding a Childhood Development Associates Certification or an Associate's Degree
- Established an Administrator in Residency opportunity to in part support private providers in navigating Blueprint requirements
- Consistent Professional Development across local providers (PK teachers, Head Start, and private providers)
Current Pillar 1 Committee Work

- Increase collaboration between GCPS, local agencies, and private providers to develop plans to expand full-day Pre-K for all 4-year-olds and eligible 3-year-olds

- Increase Judy Center and partner support services for families and children from birth through kindergarten

- Expand outreach and support for private providers to become eligible providers

- Collaborate with all educational partners (public/private) and educators to develop action steps to decrease gaps in kindergarten readiness among students
Current Pillar 1 Committee Work

- Create support to ensure pre-K teachers will be highly trained and supported to identify and address learning needs early
- Partner with Garrett College to ensure all pre-K instructional assistants earn a Child Development Associates Certificate or an Associates Degree to meet qualifications criteria
- Increase awareness of the Child Find process and provide increased support for students with disabilities

- Analyze and refine the enrollment process to align with Blueprint criteria ensuring a unified and common enrollment for all eligible students
- Expand learning opportunities for all providers to support kindergarten readiness for all students
- Increase collaboration between local agencies and GCPS to ensure students and their families have access to comprehensive services (e.g., school psychologist, vision screening, etc.)
Pillar 5: Governance and Accountability
Accountability and Implementation Board

About the AIB
- Chair- Isiah Leggett
- Vice Chair- Dr. William Kirwan

Roles and Responsibilities
- Development of the Comprehensive Implementation Plan
- Pursuing inter-agency coordination and cooperation.
- Monitoring and reporting on the progress of the implementation of the Blueprint
- Monitoring and reporting outcomes aligned with the Blueprint
- Review and monitor the use of funds from state and local governments specific to Blueprint implementation

  - Pillar 1 and 5
- February 14, 2023
  - Pillar 2
  - Pillar 3
  - Pillar 4
- March 14, 2023
  - Draft Implementation Plan Summary

- Presentations will be recorded and posted on the GCPS website for community stakeholders
- GCPS will share the recordings using standard media outlets.
The Blueprint requires school systems to demonstrate that at least 75% of per-student funding follows students to their school.

**Weighted-Student Funding**

Dollars will be allocated to specific schools based upon the quantity of the students enrolled at that school and their demographics.

**Effects of these changes that we know:**
- GCSP must *budget* per pupil per school per Program Revenue category
- GCPS must *monitor* spending per pupil per school per Program Revenue category
- GCPS must *report* spending per pupil per school per Program Revenue category

**Next Steps:**
- Leadership is analyzing historical and current resource allocation by program and school level to categorize by Blueprint Program allowable cost.
- GCPS’ Blueprint Implementation Planning process will be kick-off on December 1.
- Board & Public Feedback will be solicited throughout December - March.

**Conclusion:** The adoption of weighted student funding is required by the Blueprint for Maryland’s Future legislation. This change in methodology is not optional.
Weighted Student Funding

The Blueprint for Maryland’s Future Funding Formula

The formula for the Blueprint is a weighted-student formula. That means, the formula provides resources to local education agencies (LEAs) based on total student enrollment and on the enrollment of certain student subgroups. The formula also provides program funding for Blueprint-mandated programs.

### Base Per-Pupil Amount
- The target per-pupil foundation provides for the costs of providing adequate educational services for an average student. All eligible full-time equivalent students receive this formula aid.
- Any formula weights amount refer back to this program. For example, a weight amount of 85% means 85% of the target per-pupil foundation.

### Weighted Amounts
- Weighted amounts provide additional resources to a LEA based upon enrollment of specific subgroups.
- This funding reflects the fact that some student groups may require more resources in order ensure the provision of adequate educational services. For example, an English learner (EL), on average, requires more resources than a non-English learner.

### Program Amounts
- Program amounts are allocated to LEAs at a flat, non per-pupil amount. For example, the Guaranteed Tax Base Aid program provides additional State aid to LEAs that 1) have less than 80 percent of the statewide average wealth per pupil, and that 2) provide funding above the local share required by the Foundation Program. The program encourages less wealthy jurisdictions to maintain or increase local education tax effort.
Weighted Student Funding

The total amounts for the base and additional sub groups is dictated by law and funded with both state and local funding. The split is dependant upon the relative wealth of the county.

A weighted student funding system
1. Allocates a base amount for all students and then
2. Allocates additional amount(s) for students with certain characteristics called sub groups.

Blueprint Required Student Sub Groups:
- High Poverty/Low Income
- English Learners
- Special Education
- Meeting CCR standard
- Grade Bands (PK & K-3)

Maryland’s Schools are now required to budget, monitor and report expenses per pupil, per program per school. Funding MUST follow the student.
